DETAILED ACTION

Allowable Subject Matter

1. Claims 7-14 and 17-25 are allowed over the prior art.
2. The following is an examiner's statement of reasons for allowance: regarding claims 7-8 and 17-18, the primary reason for the allowance of the claims is due to an evaluation board having some of the size and pad-to-pad spacing of the board pads of the board pad patterns progressively changes from other board pads of other board pad patterns. Since claims 9 and 20 depend from claim 7, claim 21 depend from claim 8, and claim 19 depend from claim 17, they also have allowable subject matter.

Regarding claim 10, the primary reason for the allowance of the claims is due to an evaluation board having the characteristics of the board pads of the board pad patterns being varied by its columns and rows. Since claims 11 and 22 depend from claim 10, they also have allowable subject matter.

Regarding claims 12 and 14, the primary reason for the allowance of the claims is due to an evaluation board having some of the board pad patterns arranged in a matrix wherein at least one of the size and the pad-to-pad spacing of board pads in adjacent board patterns progressively. Since claims 13 and 24-25 depend from claim 12 and claim 23 depend from claim 14, they also have allowable subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
